SKILLS

EDUCATION

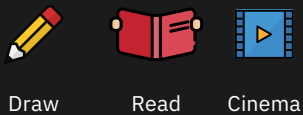

- 2020 - Online training on Dyma and Udemey
- 2014-18 Bachelor's degree in Graphic Design (with a focus on web design) at Francisco Ferrer School in Brussels
- 2011-14 Bachelor's Degree in Graphic Design from a Continuing Education School in Enghien
- 2004-11 Secondary School Diploma C.E.S.S at Saint-Augustin School in Enghien

Passionate about technology and graphic design for years, I earned a bachelor's degree in web-focused graphic design from Haute Ecole Francisco Ferrer in Brussels.

I am self-reliant, self-taught, highly motivated, and hardworking, consistently seeking to enhance my skills through personal projects, client work, professional experiences, and online learning platforms like Dyma and Udemey. I am also very sociable and curious, with the ability to adapt to various environments, whether working independently or as part of a team.
